** RED COLOR TEXT UPDATED AT 2/1/2019

The technical drawing illustrates the design of a shower Bluetooth speaker from multiple perspectives:

- Front View (Left):** Shows the speaker's face with a circular grille, control buttons (play/pause, previous, next, volume), and a carrying handle. Callout A points to the handle, and callout D points to the bottom feet.
- Side View (Middle):** Shows the speaker's profile. Callout B points to the top edge, callout C points to the side panel, and callout E points to the back panel. A dimension of 0.38 in is indicated for the side panel thickness.
- Back View (Right):** Shows the rear of the speaker with a carrying handle, a carrying strap, and a carrying strap. Callout H points to the top edge, callout G points to the bottom edge, and callout F points to the bottom panel.

Additional details include:

- Logo (deboss):** Indicated on the front view.
- MICRO USB:** Indicated on the back view.
- (Emboss):** Indicated on the bottom panel of the back view.
